

NEW CHECK OUT PROCEDURES ADDED

Parents: In an effort to keep our teachers from constantly being interrupted while teaching our students, we have implemented the following new checkout procedure.

When checking your student out early, please call the office in advance at (321) 242-6430 BEFORE 9:30 am to advise what date and time you would like to pick your student up so that a checkout pass can be issued. You may also send your student to the front office with a note to request the pass.

STUDENTS MUST COME TO THE FRONT OFFICE BEFORE SCHOOL STARTS
