

Subpoena

A writ ordering a person to attend a court, a summon (someone); an order to produce documents.

Reducing Costs and Limiting Charges

Labor Costs can be reduced significantly if subpoena includes keywords instead of open-ended terms such as “All documents or emails”. Similarly, narrowing a request to certain individual or a particular date range ca greatly reduce the use of extensive labor.

Subpoena Invoice Calculation

Redactions of Emails

For the invoice, time to read each email that we receive based on the parameters provided, multiplied by the hourly rate of the individual providing the review.

Redactions of Documdocuments
