

Intensive Reading Placement 2023-24

Students entering 7-10th grade

If a student scores Level 1 or 2 on Spring 2023 ELA FS/FASTOR Fall/Winter 2022 FAST score reflects below grade level performance OR a NO 2022-2023 FAST score then review past standardized test scores past Reading Inventory/Phonics Inventory scores SAT/PSAT/ACT/PLAN, or standardized assessments from other states

IF the scores are at Level 3 or above both years
 (For students without two years of previous standardized test data, there is evidence of proficiency on other state or national standardized tests.)

If the scores are:

- x Level 1 or 2 one or both of the previous two school years or
- x Below proficiency on other standardized tests
- x Student has no previous standardized test scores

THEN placement is

* Parents will be informed of placement in an Intensive Reading course in writing using the BPS Intensive Reading placement letter.

NO data does not show evidence of grade level performance

Placement in Intensive Reading recommended for 2023-24 school year as the strategy for providing academic
